# NEVCO (Grey Box)

## Setting Penalties

1. To set a penalty, press "Set".
2. Press "Home Penalty" or "Guest Penalty".

3. You can only put timed minor or major penalties on the scoreboard. Do not put up misconduct.

4. Input the duration of the timed penalty that needs to be served.

- For the new Nevco system, the screen will show "00:00". If you wanted 2 minutes, you would p

ress 2, then add a O until the 2 is in the right place

- For the old *Nevco* system, you will need to press "02:00"
**5. Press "Yes".**
6. You now need to enter the player number who is serving the penalty. If it is #16, press "16". If it is
**#4, press ₁₁04₁₁.**

- **NOTE:** If it is a single digit number (i.e. 1-9), **you need to enter double digits** or else it will not

show on the clock

2. Press "Yes". The penalty will now appear on the scoreboard.

## To Clear a Penalty

1. Press "Home Penalty" or "Guest Penalty" until the front panel shows the specific penalty you need.

2. Press "Penalty Clear".
3. You will be asked if you are sure you want to clear the penalty. Press "Yes".
4. The penalty will now be cleared from the scoreboard.

## To Edit a Penalty

1. Press "Home Penalty" or "Guest Penalty" until the front panel shows the specific penalty you need.

2. Press "Penalty Edit".

3, Enter the new time for the penalty and press "Yes".

4. The edited penalty time will now be on the scoreboard.
